SIR

I have the honour to inform you that there are six Demonstrators in the Central College for Physics Chemistry Mathematics Geology Zoology and Botany one each The designation 'Demonstrator' was found somewhat misleading when the University Commissioners visited the Central College in connection with the affiliation of the Central College for the Honours Course It is understood that in the Madras Colleges students taking up post-graduate study are often appointed as Demonstrators on very limited allowances and our Demonstrators who are permanent Government servants in the regular grades of the service are ~~xxxxxxxxx~~ often confounded with the sort of Demonstrators they have in Madras In these circumstances it appears to me desirable to change the designation of "Demonstrator" into that of "Lecturer" which conveys a more correct idea of the work these officers do and I request that Government may be pleased to sanction the change

I have the honour to be

SIR

With reference to your letter No 13126/Edn 188-13-14 dated 26th June 1914 requesting to be furnished with certain information with regard to my proposal to change the designation of 'Demonstrators' in the Central College into 'Lecturers' I have the honour to inform you that the Principal of the Central College was consulted in the matter and he is of opinion that the designation may be changed as proposed if the start pay of the incumbents be fixed at Rs 150 at least

2 There are two Demonstrators attached to the Physics Laboratory in the Presidency College Madras on a pay of Rs 50 each Their duty is to help the permanent Assistants in the practical work of the Intermediate classes They are expected to keep an eye on the work done by the students to help them in their work whenever necessary mark their note books etc Similarly

(4)

Similarly in the Christian College there is a Demonstrator for Chemistry in the grade 55-65 His chief business is to assist in the practical work of the students and to correct laboratory note books

For the Demonstrators in the Central College the revised grades provide 2 on Rs 150 and 4 on Rs 75-10-125 each These are usually M A 's of the Madras University They not only assist in the practical work of the students of the Intermediate and B A classes, but have also got lecturing work in the Senior Intermediate class Thus they are doing higher work and are better paid than similar officers in the Colleges of Madras

Copies of letters from the two Principals of Madras and the Principal of the Central College on the subject are herewith submitted for favour of perusal

I have the honour to be
Sir
Your most obedient servant,

Inspector General

---

With reference to your letter No 5745/656 dated 12th October 1914 I have the honour to state that I think it would be inexpedient to alter the designation of the Demonstrator of the College into Lecturers unless their pay were raised to a minimum of Rs 150
